💼 PROFESSIONAL EXPERIENCE

02/2024 – present
Pune

Flynaut saas pvt ltd
Frontend developer
Developed a Full-Stack E-commerce Platform or landmark

- *Built a responsive e-commerce application with user-friendly interfaces for product browsing, cart management, and secure checkout using React.js, Node.js, Express.js, and MongoDB.*
- *Implemented Advanced E-commerce Features: Integrated functionalities like real-time inventory tracking, personalized recommendations, and secure payment gateways, enhancing the customer shopping experience and transaction security.*
- *Ensured Scalability and High Performance: Deployed the application on cloud infrastructure (e.g., AWS) with optimized APIs, enabling seamless performance under high traffic while ensuring fast load times and data integrity.*
